

# THE BREAD OF LIFE

**GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE**

April 29, 2018 5th Sunday of Easter

Are you ready for a trim? In today's Gospel, we hear the familiar teaching of the vine and the branches. Jesus reminds us that if we remain close to him—living in humility, following God's law, loving our neighbor—we will notice a positive change in our life and the lives of those around us. "Whoever remains in me and I in him will bear much fruit." The Holy Spirit is life-giving. He is fruitful. The Spirit of God won't refuse grace to a heart that is open.

As we progress through life, learning how to live and love, we grow. Our personalities flower. We discover what it is to be a blessing to others. We also experience lack, loss, and the results of our failures. We know what it is like to "wither" at times, particularly the times when we willingly separate ourselves from Jesus. "Just as a branch cannot bear fruit on its own unless it remains on the vine, so neither can you unless you remain in me." For most of us, this experience of being disconnected and off track generates a desire to return to what is right and good, to return to the vine. But this Gospel is more than "Are you in or are you out?" Even when we remain in God, when we follow Jesus, we are not exempt from the challenge, the pruning. "Everyone that [bears fruit] he prunes." A prudent trim is necessary in the natural world of trees and vines. Dead wood, broken shoots, and diseased branches need to be cut back in order for the plant to bear fruit. Jesus wants us to be healthy! He says as much himself: "By this is my Father glorified, that you bear much fruit and become my disciples." Take a look at your life today. Where are you bearing fruit? Where do you need to be pruned?

**F**or the past 6 1/2 years **Sabrina Plumb** has been a familiar face in the Parish Office, in the Gift Shop, taking pictures at our events, leading VBS, working the Penny Carnival, Christmas Village, Halloween Village, the Land of Happily Ever After and, at the same time, serving as our receptionist, secretary and activities director for nearly every activity the parish has conducted! She has worn many hats

and has experienced *every* facet of parish life. Though she will not be a stranger Sabrina is moving forward with her career and sharing her talents with a waiting world! And so the friendly voice on the other side of the phone or in the reception area will be missed—but, she is not totally leaving as we have already lined up several projects which will need her expertise. This is just a **THANK YOU** for the 6 1/2 years of dedication, service and Ministry to our Parish Family. May God continue to bring you abundant blessings and great satisfaction in all of your new adventures!

**Gratefully! Be a Light to the World!**

**T**oday, Sunday, April 29th, the Awards Celebration for Owen Anderson will be held at the *Cathedral*. Owen will receive the Ad Altare Dei and Pope Pius XII religious emblems from the Cleveland Diocesan Catholic Committee on Scouting. *One again* our Congratulations to this outstanding young man for this accomplishment and his tremendous Witness of Faith!

**We** have sent a greeting and gift to Father Julius

who is celebrating his Tenth Anniversary as a Priest! Father is serving at a parish in England as he finalizes his studies. We heard from him last week and he sends his blessings, greetings and his prayers!

### **LIVE THE LITURGY - INSPIRATION FOR THE WEEK**

"Let us love not in word or speech but in deed and truth." Real love, especially unconditional love, cannot exist apart from action. We are called to bear much fruit and become Jesus' disciples.

We live in a world that is suffering so badly. By our actions and the way we organize our lives, we can model the Gospel values that many no longer see as important. We can be healers who put mercy into action. We can choose to unconditionally respect human life and challenge those who do not. We can live nonviolent lives, resist the lust for power, and avoid greed in all its forms. It is difficult to live the Gospel message of love. We will often be met with rejection. We need to allow God to prune away everything that makes it difficult to love. Then we have to take the risk and call others to a higher standard, no matter the price.

“The most difficult task indicated in this passage of Jesus as the True Vine may very well rest in a key verb mentioned throughout: **Remain**. It is not being a branch that is most challenging according to Jesus here; rather to remain proves for us most difficult such that living fruit might be borne from our faithful steadfastness in Him. Jesus clearly desires us to persevere in obedience to the Word of God, Who is Christ Himself” - Fr. Gregory Gresko, OSB (catholic online)

## THE MOVIE: POPE FRANCIS— A MAN OF HIS WORD

“Pope Francis - A Man of His Word is intended to be a personal journey with Pope Francis, rather than a biographical documentary about him. The pope’s ideas and his message are central to this documentary, which sets out to present his work of reform and his answers to today’s global questions.”

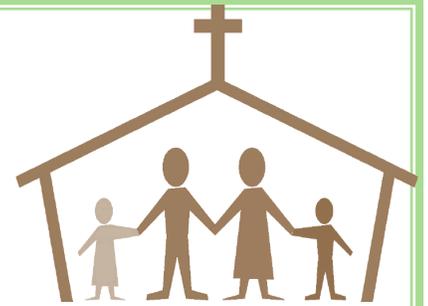

You can view the trailer of this movie on [movieinsider.com](http://movieinsider.com) The movie opens **Friday, May 18th** for a limited showing. I have asked the Daughters of St. Colette to work with the HNS in developing a plan for parishioners to see the movie. Obviously reserved seating will be demanded. Look to the bulletin for more info. soon.

The movie has had some great reviews and in the midst of so many offensive and downright bad movies this may very well be a breath of fresh air. (Fr.)

Dear Parish Family,

Thank you for allowing me to take time these past two Sundays to speak about our hopes for a Parish Center. I am not comfortable doing this and, as I have mentioned, this is not an endeavor that I ever dreamt of taking on. The fact is that I have little choice. We are honestly out of room. We are out of room in so many ways

In order to answer your questions in a more direct way we are hosting four Parish Information Evenings. These will be a town hall kind of presentation to respond to questions concerning the actual building project and the financial aspects involved. Please understand that this is not a forum for further discussion on whether we need or do not need a building. That has been decided by the overwhelming response from the cards which you filled in last weekend. While there were some who are not in favor the vast majority was enthusiastic and supportive.

A Chair Board has been set up which involves the expertise of several parishioners including Mr. and Mrs. Phal, Wm. Gorey our Building Director, Attorney Todd Schrader, Jeanette Webster CPA, and Deacon Tom Grasson. (this is not a complete list as others have asked to be considered) They and myself will offer input at these meetings and they will be available to answer any further questions you may personally have.

This is a major undertaking and will certainly come with endless considerations. We are a vibrant parish with something offered for *every* age group. I would never want to impede on our activities as they too are a part of being 'Church'. There's still much to do and much to accomplishment as a parish community and family.

Believe me we have not made any consideration without prayer (and the loss of the little hair I still have) but I am confident that the Lord will be pleased with our efforts to further the ministries and the spiritual/social activities of His parish. In the last few years our growth has been phenomenal and, as this is God's House, there will always be room for the new family members who join us.

Again, thank you for your consideration and your support of Project Endeavor!  
God bless you in new and remarkable ways!  
St. Colette, pray for us.

*Fr. Krizner*

# PARISH TOWNHOUSE MEETINGS!

**T**here will be four meetings—arranged by last names, alphabetical order—**dates will be announced in the next bulletin. We are looking at May dates. These are informational meetings to discuss what ‘plan or model’ we can practically finance. (see enclosed letter from Fr. for more info on these meetings.)**

## PROJECT—ENDEAVOR

### **WHY DO WE DO THAT? -** CATHOLIC LIFE EXPLAINED

**Question: My best friend is Lutheran and is a good Christian. I would like her to be my child's sponsor, but I'm wondering, does she have to be a practicing Catholic?**

**Answer:** The practice of two godparents for an infant's baptism goes back to the time when church law and civil law were one and the same in Europe. If anything did happen to the parents, the custody and well-being of the child became the responsibility of the godparents. Adult baptism required that one have a sponsor from the church who would act as a guide or mentor, in bringing the person to faith.

Today, being a godparent has no legal implications. It is a spiritual matter. But at least one of the godparents must be a practicing Catholic. The other is called a Christian witness. This distinction recognizes the difference between faith and religion. A Christian can be a witness because of their relationship to God (faith), but the Catholic is a mentor in the practice of the religion.

In any event, it is vital that parents give serious consideration to the people they choose to be a child's godparents. That choice should be based on practice of faith, solid moral character, and ability to give good example. Too often the choice is left to whose turn it is in the family, or to friends that parents wish to honor or acknowledge in some way. Your choice of godparents is the first lesson of faith you teach your child. Make it count! lpi

### **A Parish Prayer for our project:**

**F**ather of mercies, Father of Love, we ask Your blessing upon this endeavor. May all that we do, all that we say, all that we act upon be to the Glory of Your Most Holy Name. Inspire us through the Spirit of Pentecost that our work and our efforts will further Your Kingdom and bring Glory to Your Son, our Lord, Jesus the Living Christ. This we ask with gratitude and confidence. Amen.

St. Colette, pray for us.
