

Happy New Year!

All things in God's perfect time.

For every believer, and especially for Christian families, the humble dwelling place in Nazareth is an *authentic school of the Gospel*. Here we admire, put into practice, the divine plan to make the family an *intimate community of life and love*; here we learn that every Christian family is called to be a small "domestic church" that must shine with the Gospel virtues. Recollection and prayer, mutual understanding and respect, personal discipline and community asceticism and a spirit of sacrifice, work and solidarity are typical features that make the family of Nazareth a model for every home.
