Good Morning! Good Afternoon! People of God!

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Using the best seeds doesn't always guarantee the best plants. An older Italian gentleman straight from Italy gave me these amazing tomato seeds that he claimed produced the best tomatoes ever grown. Without doubt, the fruit he shared with me was a testament to that fact. These tomatoes were amazing! I couldn't wait until the next growing season to plant these seeds and harvest my own tomatoes. The whole experiment ended up a failure. I did everything the gentleman said, but my fruit didn't even come close. What happened? At first I was perplexed, then some years later the light dawned. The problem wasn't the seeds, it was the soil!

You cannot sow seeds in any old place and in a haphazard way and expect them to be at their best. It doesn't work that way. Planting the seeds is the easiest part. Preparing the soil is the challenge. Tilling, mulching, enriching, and building up the nutrients are all required for good fruit. Then after the seeds are planted, more care is required in order to maintain that healthy, nutrient rich environment for those seeds to sprout, grow, and flourish. God happily sows the seeds of his Word. What do we do with them?

If we expect to be a passive bystander and have good fruit magically grow, we are mistaken. Bearing the good fruit of God's Word requires preparation and work. We have to cultivate the soil of our lives so that those seeds can find a proper home. This one thing alone takes a great deal of patience, time, and effort. What kind of preparation have we put into our lives so that we can be a recipient of God's seed? It takes a great deal of soul-searching and ego-checking to properly prepare. God is the ever faithful and persistent sower. If the seeds do not bear fruit the first time, God will come back time and time again, giving it another try.

If we have created a suitable bed for sowing, then once the seed is sown, we must properly maintain them. What is our maintenance plan for the seeds of God's Word? We need not only a source for water but a watering schedule. We need to weed, aerate the soil, nurture the young plants, protect them, and provide proper nutrients. What does our spiritual maintenance plan look like? If we have done all things well, imagine what the seeds of God's Word could produce in us!

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Any good farmer will tell you that regardless of how good the quality of the seed, its sprouting and bearing of effective fruit is dependent upon the quality of the soil. Preparing the soil is one of the most essential components of farming. There is no doubt that the seed of God's Word will eventually achieve its purpose. God cannot and will not fail. When and how that seed bears fruit is, however, dependent upon us. What is the quality and condition of your soil? Life's concerns and preoccupations can cause us to become inattentive to our inner life. This sometimes unintentional neglect can result in our soil becoming hard, overgrown with weeds, rocky, parched, and lifeless. When God's seed is sown, it doesn't always take root because it struggles to establish roots and flourish. How can you more attentively attend to the soil of your heart so that it will be a fertile and vital place for the fruit of the Gospel to grow?

WHY DO WE DO THAT? - CATHOLIC LIFE EXPLAINED

Why Do Catholics Baptize Babies?

Answer:

For adults who want to be baptized, the celebration only takes place after a long, guided, and thoughtful process through the Rite of Christian Initiation of Adults. This is also true for many Protestant Christians, who are baptized later in life, often after a personal, transforming religious experience. So, it seems fair to ask why our Catholic tradition includes infant baptism. After all, if we make adults who want to become Catholic wait months and even years as they grow in their understanding of Christ and his teachings, why should babies — who “do nothing” — be baptized?

Our custom of infant baptism dates back to the earliest days of the Church, when St. Paul baptized entire households, including, we presume, children (see Acts 16:15, 33; 18:8). That had become common practice by the second century. When Christianity was legalized 200 years later, infant baptism became the normal practice throughout the Church.

We recognize that in Baptism, we are given the grace to overcome original sin — the human tendency to choose ourselves and our own wills over God — and to become members of the Church. This is the gift we give to infants in Baptism.

In its essence, the baptism of infants also reminds us adult Christians that the gift of salvation and membership in the Church (i.e., the Body of Christ) is God's initiative. It is freely offered to us, regardless of where we might be in life's journey. Salvation isn't something we earn. Instead, we see that Baptism is the beginning of a lifelong process of growing into the kind of disciples that Jesus wants us to be.

To learn more, see the “Catechism of the Catholic Church” (no. 1250-1252 and 1262-1270).

Beginning on Tuesday, July 14th at 7PM, Deacon Tom Grasson will conduct a Communion Service with a liturgy of the Word and an opportunity for Eucharist. This opportunity will be offered every other Tuesday. An announcement will be made as a reminder at the conclusion of each service.

Mass will continue to be celebrated on Wednesday and Friday at 11 a.m. unless there is a Funeral Mass. Depending on the priest availability the Sacrament of Reconciliation is offered following these two liturgies.

HELP

Our Maintenance crew has trimmed and cleared the area of our Stations of the Cross. They have been faithful in watering each station and the entire Shrine area. This is a daily undertaking! Ruthanne Dolan has done another wonderful job of planting spring and now summer flowers all throughout the property. Nothing stops her from planting and weeding and feeding and watering!! She is a gift!

We've asked your help in weeding certain places of the property—that too is an ongoing task! Surveying the property we have noticed that the actual boxes which house the Stations of the Cross figures are in need of some TLC! Some need an easy repair and others need to be stained. If you have the availability to assist in this task please inform the office and Noah Schrader will arrange a time and whatever supplies will be needed. Thank you in advance once again!

First it was all rain—followed by HEAT—and the job of upkeep has been extensive! But you know that from your own lawns and gardens!

Thanks to Noah, A.J, & Vince from Maintenance/Yard and to Mr. Ed Pfahl for assisting in setting up the huge flag that was used for our 4th of July weekend Liturgies. Thanks also to Music Ministry: to Sara, Cindy, Ralph, Todd, and Isaac for a tremendous presentation of the Battle Hymn of the Republic! We received many positive returns concerning the flag raising and all of us are grateful for your kind words! It was our hope that the presentation ignited within your hearts a renewed appreciation for the USA and a profound respect for the Flag!

We first did the flag raising at the 9/11 Memorial last September and we will most certainly do it again! Following last weekend one of our parishioners brought me a copy of their great, great, great, great Grandfather's discharge papers from the Revolutionary Army signed by George Washington. Can you imagine that? When we talk about pride in our Nation it goes back to the valiant sacrifices of so many people who fought for the cause that allows us our freedom today! Thank you once again!

Fr. K

Dear Parish Family,

With the year half over are you wondering , as am I, where did all these COVID days go? Easter is a faint memory and I still regret not being able to properly celebrate it! June flew by and now it is the middle of July! To think that seven months ago we were all wondering what the New Year of 2020 would be....never did we imagine a virus that would stifle our nation, our economy, and our people! May the merciful Hand of God extend over us His grace, peace, and a renewal of hearts!

I truly want to thank you for taking the time, the effort, the sacrifice, and the dedication to bring in, to send, or drop off your offerings! Thank you so much. You know that I did not ask for that effort on your part but this is an amazing parish, indeed! Thank you!

We are awaiting final words from the Diocese and from the architect concerning Endeavor. We are optimistic that the phases that have been laid out will be approved by the City, the Diocese, and the builders! We will keep you posted! In anticipation I have found the shovel that Fr. Montavon used for the original ground-breaking of the Church. It's a little duty but it is eager to see ground!

I am sorry to say that because of COVID, Father Julius will not be joining us this summer as was planned. He so regrets this but the situation in England and the United States with the virus really prevents that kind of travel. We were excited to see him again — maybe soon when this virus has been decimated!

I pray that your summer days find some peace, relaxation and contentment. The world seems turned upside down but we console one another in the Peace of Jesus Christ and are confident in His love for each and every one of us! Remembering always those who have asked our prayers.....

"RENEW THE FACE OF THE EARTH"

EVERYDAY STEWARDSHIP - RECOGNIZE
GOD IN YOUR ORDINARY MOMENTS

Focus on the Good

When I was a child, my mother had a set of sculptures resembling three human heads. One head had hands over the ears, one had hands over the eyes, and one had hands over the mouth. Of course, they depicted the phrase, "Hear no evil; see no evil; speak no evil." I have seen these images repeated many times since then, usually as the monkey heads from a Japanese proverb, which would have probably seemed a little less creepy to me when I was a small child. Apparently, there is no consensus about the full meaning or certain origin of these three images nor the phrase. At the very least, it causes us to reflect on the need to avoid evil and look for the good in things.

As I have lived my life, I have come to believe there are more people who live their lives in a contrary manner to these images. It is not that they seek evil, but it is as if they "see no good, hear no good, and speak no good." Gossiping is the way they pass the time, and they always seem to find the negative in people and situations. Being a good steward certainly means that we do not seek evil, but more than that, it means that we see the abundance of good things all around us. These gifts of God are big and little, profound and ordinary. By seeing the world in this way, we begin to change our personalities and our overall disposition. We always need to follow a new proverb: see all the good, hear all the good, and speak about the good. Amen.

The Daughters of St. Colette

July 16, Feast of Our Lady of Mt. Carmel

We meet at **11:00am on Thursdays** at Wayside Shrine to say the Rosary together at the statue of the Blessed Virgin. This Thursday, following the Rosary, there will be a short presentation about Our Lady of Mount Carmel and an explanation of the devotion of the brown scapular that many of us received at our First Communion. We are able to keep social distance by bringing our own chairs. This is our chance to enjoy the outdoors and pray together without getting too close. Everyone is welcome and there is plenty of room. Please join us!

"Come as a stranger, leave as a friend."

We are delighted to share with you that on July 18th at 6pm we will be welcoming 12 wonderful individuals who have gone through the RCIA program and now will be receiving the Sacraments of Initiation. As much as we would have loved to welcome them at the Easter Vigil with all of you surrounding them – COVID 19.....You are welcome to **join them virtually and it would count as your Sunday obligation.** Please pray for them as they join us in living the grace of the sacramental life.

A warm Welcome to our Parish!
