

I will send you another sign from heaven: the sun will be darkened, and the moon will be turned to blood, and the stars will fall from heaven, and the powers of heaven will be shaken. And you shall see the Son of Man coming in the clouds with great power and glory, and you shall see him coming on the clouds of heaven with power and great glory. And you shall see him coming on the clouds of heaven with power and great glory. And you shall see him coming on the clouds of heaven with power and great glory. And you shall see him coming on the clouds of heaven with power and great glory.

# CELEBRATE AND REJOICE! ALLELUIA!

## A PENTECOST MESSAGE from Father Krizner

**We** are truly a living part of what began on Pentecost. We are members of a universal Church which has the promise of Jesus the Lord, Himself, ‘the gates of hell will not prevail against it’. Built on the solid rock of St. Peter, nurtured by the Living Word and Eucharist, overcoming martyrdom of every kind, the Church continues to flourish and grow under the inspiration and direction of the Holy Spirit. Varying census reports from the Vatican and from Pew Reports show a steady increase in Catholic population—but there remains a number of Catholics in name only. Likewise, there is a significant number of young people, 18 and over, who no longer ally themselves with any organized religion. Needless to say the atheist population has increased as well. (We will be reminded of that this Advent when their billboards go up denouncing Christmas as the Birth of Christ).

**B**ut in the midst of all those numbers here we are—the Parish of St. Colette in this little section of Northeast Ohio trying our best to live the faith, spread the Word, and live our lives as faithful Catholics. Our parish has grown significantly—both in number and in spirit. I am especially encouraged by the growing number of young people—especially newly married couples—who are finding their place both in the Church and in this parish. They have a great deal to offer to our entire community—their experiences, their faith journey, their personal image of Christ. And just as they share their witness of faith with us—so too we must allow our young people to see in our actions, our attitude, our sense of welcoming and our welcoming hospitality the faith that we, through every generation, hold fast to.

**We** have come so very far since the days when Fr. Montavan began the work of building a church (40 years ago). He along with those early founders of St. Colette not only built a church, but a community and a people dedicated to the Gospel as well. Their accomplishment became the solid foundation upon which we continue to grow, proclaim and rejoice! There is much to be grateful for. I hope we are living that gratitude.

**O**ur work **MUST BE** the work of Christ. It is the response to the great commission ‘go out to all the world’. Much has been accomplished and there is much yet to do. We need the guidance, the counsel, the power of the Holy Spirit, the Spirit of Pentecost to continue to strive together as Church—to grow in spirit and in number and to let the world know that Jesus is Lord! On this great solemnity of Pentecost may we continue to be open to the promptings of the Holy Spirit. May we, by the grace of God, strive together to be His Church, His People. In the name of our Pastoral Minister Lisa Radey, Deacon Tom, and our *entire* Parish Staff thank you for being Church. Happy Birthday to the Church, Happy 40th Birthday to St. Colette Parish. Happy Birthday to us!

Come, Holy Spirit, Come!

## GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Pentecost Sunday

Today, on this feast of Pentecost, we remember the dramatic outpouring of the Holy Spirit that came upon those first apostles and the peace that came along with it. But we do more than remember. We also celebrate the presence of this same Spirit in our midst.

Through the sacrament of baptism, every Christian receives the indwelling presence of the Holy Spirit in his or her soul. Thus, the gift of peace is already ours! The question is whether or not we have really begun to appreciate and utilize this most precious gift. Like the apostles who had locked themselves up "for fear of the Jews," we too are capable of imprisoning ourselves in our own anxieties. We fret and worry about the future, about our sufferings or our disappointments, and too often let these concerns stifle the true peace that Jesus offers us.

But the Church today urges us to rejoice and to step out in faith like the apostles who left their fears behind them. Peace not only alleviates our fears, it also frees us to live our faith to the fullest, to have the courage to take risks, and to leave our comfort zone for the sake of the Gospel. This is what we are called and, not only that, empowered to

do. Anything less is a kind of spiritual poverty we bring upon ourselves. God has given us the gift of himself, present and available in every moment, every place, and every situation. May we recognize this most wonderful gift and give thanks with grateful hearts

## Mass Intentions

Continued from last week...we try our best to fulfill your Mass Intentions but they are obviously limited by the fact that this is a one priest parish. We have as an option to send your intentions to the Diocese of Cleveland where the intentions will be said by priests who have non-parish assignments. This was such the case when I was at Holy Name High School. The intentions I used for my Masses were from all over the diocese.

We can also set aside some intentions for Fr. Julius who will say the Masses for your needs at his assignment in England.

Please understand that as we increase in size we can only do what we can do!

Thanks!

**W**e've been happy to have the orchestra with us through Ascension and Pentecost! They will return for our Celebration of the 40th Anniversary of our Parish!

**T**hanks to them and all of their talent. Thanks to our Music Ministers who have done such an outstanding presentation all through the Easter Season!

### MASS AT THE SHRINE -

As the weather allows we will be celebrating Mass on Tuesdays *and perhaps* certain weekdays at the Shrine.

We are simply waiting for the Monsoon Season to end in Brunswick!

On Ascension Thursday Evening, Sabrina took this picture of the Resurrection of Jesus with the natural sunlight falling across His Face and lifted Hand.

## WHY DO WE DO THAT? - CATHOLIC TRADITIONS EXPLAINED

Question:

Is it true that the feast of Pentecost, the celebration of the descent of the Spirit upon the followers of Jesus, was a Jewish pilgrimage festival?

Answer:

Pentecost is only mentioned in the Acts of the Apostles, written by the author of Luke's Gospel. John's Gospel speaks of Jesus breathing the Spirit upon his followers on Easter Sunday. Luke in Acts is the only one who unpacks the Easter events of Jesus' passion, death, resurrection, ascension, and the sending forth of the Spirit in a period of fifty days.

The Jews had three pilgrimage feasts--Passover, celebrating the Exodus from Egypt; Shavuot, or festival of Weeks, celebrating the giving of the law on Mount Sinai; and Sukkot, the harvest festival of Booths, commemorating the forty years of wandering in the desert. Shavuot celebrated the central covenant event in Jewish life--the giving of the law to Moses on Mount Sinai. The mighty wind, the shaking of the house in which the followers were gathered, along with the tongues of fire all reflect elements surrounding the giving of the law to Moses in the Book of Exodus. Luke was imaging this very backdrop and scenario in this significant event of the community being gifted with the Spirit. As the Torah was the way to God for Jews, so Jesus' Spirit was the guide, power, and path to God for his followers. -LPI

### The Holy Father's Intentions for June National Leaders

**That National Leaders may firmly commit themselves to ending the arms trade, which victimizes so many innocent people.**

### *Please know that -*

With warmer weather the air conditioner in the Church tries it's best to cool the entire Church. If you find it too cold then know that the seats in the front are **not as cool** as those in the back. That is especially true for the seating in the baptistry and along the back wall of the Church. Thanks!

## News from Father Julius! At our invitation Father

**J**ulius may be returning to us for the month of July! As he continues his studies and work at the parish assigned him in England he will receive a bit of a break. We are eager to have him return! We will keep you updated as to his arrival. As always, remember him in your prayers. He truly loves being a part of our parish community!

## Celebrating 40 Years as a Parish Family!

These throwback photos are of the construction of the church. If you look closely you can see the walls of the church and where the stained glass windows will go. Also, your eyes are not deceiving you, the construction even took place when there was snow on the ground!

**A**S we approach the 40<sup>th</sup> Anniversary month we need help from our parishioners! We have an archive of photos and information but we also want to hear about your perspective on St. Colette and what it has meant to you. We are looking for photos, information, facts, memories-anything you want to share with us about the history of St. Colette. We are working on a video about St. Colette from the start in Crestview's basement until now in the church we know and love. If you have anything you would like to share with us, if you would be willing to be interviewed about the history for the video as well, please call Sabrina at the parish office or bring in the photos/memories/facts to the office with "Attention Sabrina" on the envelope or email them to her at [sabrinaplumb@gmail.com](mailto:sabrinaplumb@gmail.com). Anything you give us will be returned to you as long as you give us your name and phone number.

**Please note, we will be filming during some group meetings and masses this weekend (June 3 and 4) to get some extra footage for the video. Please act as you normally would, despite the cameras.**

### What is this 40<sup>th</sup> Anniversary Event we keep hearing about?

Mark your calendars for the 40<sup>th</sup> Anniversary celebration on Sunday, July 9<sup>th</sup> beginning at 5PM. The evening will start with mass at 5PM in the church with Abbot Gary Hoover and Father Krizner celebrating the mass. Immediately following mass we will show our 40<sup>th</sup> Anniversary Video on a screen in the church.

After the video, the congregation will be invited outside the atrium (weather permitting) for a picnic. We are asking that you would bring your own lawn chairs, blankets and snacks for your family to enjoy during the concert. We will provide grilled hamburgers and hot dogs free of charge. The concert will consist of "St. Colette History Through Song." We will tell you about major points in our history and the Music Ministry will perform songs that were hits during that time.

This truly is an event for everyone in our parish, no matter your age or how long you have been a parishioner. Join us for mass, give thanks to the Lord for the church we have today and then join us for a hot dog, learn some history of the church and enjoy the music with your parish family.

Won't you please consider joining us? All we need is an RSVP!

#### EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

There are some things I miss now that my children are older. Fewer snuggles, fewer moments of awe and wonder, and fewer crazy questions that make me laugh. However, if I'm honest, there are some things I do not miss, especially the birthday party. I loved the aspect of celebrating my child's birth, but most years the party cost too much, involved too much stress, and resulted in a lot of presents that ended up in my garage. Today, nice dinners with family and friends sharing time together have taken the place of the "birthday party" and that is fine with me.

Centuries ago, God moved in such a profound way and sent his Holy Spirit upon us, imparting to the Church gifts that remain with us today. That first Pentecost was a first birthday party of sorts, with people gathered to celebrate their common faith in Jesus Christ. Of course, that party had none of the trappings of a child's event at Chuck E. Cheese's, but instead presented us all with generous gifts that could be used for the glory of God instead of the stuff children discard after a few weeks.

Every year I think it is important to really celebrate what God has given to us, the Church, on the feast of Pentecost. The generosity of God knows no limits and the Holy Spirit is alive. It's just that the gifts from this celebration need to be used or the celebration will be hollow. The gifts are free to us even though they are priceless. It would be poor stewardship to toss them in the garage with all those toys that time forgot.
