# FIFTEEN YEARS!

**Remember The Two Towers, The Pentagon, the September Fields of Somerset County, Pennsylvania and the disbelief that this was *really* all happening to the US?**

**A**t 7 p.m. on Sunday, September 11th, we will gather in our Church for a special Remembrance Service. Once again we make a special Invitation to all Military, active, veterans or retired, all Police Officers, all Fire Fighters and First Responders, to join us as we remember and we pray.

The ceremony will consist of the presentation of the colors, Scripture, a reflection from Father Krizner and a special chorale offering from our Music Ministers. Following our Ceremony there will be time for fellowship in our Atrium.

**I** wholeheartedly encourage you to return back to Church on that Sunday to remember with us the events that changed our world forever. Though time has passed, the world has been turned on it's axis, and our Nation and our world has been shadowed by events that now go beyond our imaginings.

**I** invite you to join us because our prayer rising to the Father is the absolute means of bringing about a change of hearts and minds in today's world. No other solutions seem to be working—especially in a world where Christianity itself is so often downplayed and challenged.

**I** encourage you to bring your neighbors and friends: Catholic & non-Catholic. I personally invite young people to come and experience the witness of the faithful as we put our trust in the Lord.

**We** will take this opportunity to give gratitude to the men and women who protect our Nation and to the men and women who protect us as the First Responders to every situation that calls out for assistance and help.

Please join us on September Eleventh and raise your voice with ours to our God and Father in gratitude and petition. Much to pray for and much to be grateful for.

We are living the 'freedom'!

THANK YOU - Fr. Krizner

**NOW MORE THAN EVER~**

# UNITED WE STAND

Dear Parish Family,

I am away from the parish for a break but I want to personally invite you to our September Eleventh Memorial on Sunday Evening (9/11) to once again take hold of the promise we made as we sat watching the horrific events of that day unravel on our T.V. sets. I imagine that at some point all of us whispered in our hearts that we should 'never forget' the events that changed Everything! After all it was unimaginable, unthinkable, and surreal.

*Fast Forward* to 2016 and the answer is more clearly than ever before, 'Yes'.

Some things truly must be put to prayer - the chaos in our world is one of those things that we must put into the hands of God. Our God did not want this to happen. Our God was with us on those dark days but since then some in our Nation have found it more beneficial to put God out of the picture.... Thus the chaos continues.

Please join us for a brief evening of prayer and song and reflection. Each and every day the men and women who protect us through the Military and the Police Force are in brand new dangers. Our Sunday Evening together will be a plea to God for peace and a witness to those men and women that we stand behind them and they are in our prayers.

I realize there is school the next day and all sorts of duties that each of us have to attend to but in the scope of all things important there is the peace as we pray for our Nation and our World.

Please join us—especially active, veterans & retired Military, Police, Fire Fighters and First Responders.

May God bring us peace and may the Nations know that He is our God, Creator and Father of all mercy! God has not abandoned us! We can stand confident that as we welcome Him into our world He is ever-present and attentive.

Thank you for all that you do for the parish. I am sorry about the air-conditioning last week...as you would know, it would go down when it is 90 degrees!

In your prayers please remember those who have asked our prayers. There are always so many needs. I pray your week is blessed and these days of September bring us deeper into the grace of God. Wow, it has been one hot summer! These have been the dog days of summer!

Fr. Krizner, The Lily and Gracie

**“I am not sure exactly what heaven will be like, but I know that when we die and it comes time for God to judge us, he will not ask, 'How many good things have you done in your life?' rather he will ask, 'How much love did you put into what you did?’”**

**Fr. Julius-**  
We have re-invited  
Father and he is in the  
process of obtaining his  
visa. His trip is now-  
planned for October 1-  
14. If all goes well this  
time he should be  
eagerly on his way to  
visit with ‘the good  
people of St. Colette in  
America’.  
We will keep you post-  
ed with updates!

**G**od of Mercy, God of wonder, Father of Creation, Source  
of All-Life, look upon your people who trust in your eternal  
love and boundless mercies.  
Be with us, O Lord, in our every day needs. Look with com-  
passion upon those in need and those who struggle with the  
difficulties that sometimes complicate their world. Look with  
your Eternal Love upon your people who are persecuted for  
their faith and struggle with war and terrorism. Be merciful  
to the people of Italy who have experienced the devastation of  
the earth quake.  
Bring them comfort, O Lord, bring them peace.  
Hear the prayer of your people. O Father, and instill  
within us the power of your Holy Spirit. This we ask, as in all  
things, with confident hearts, in the name of Jesus the Christ,  
our Savior and our Brother. Amen.

**Our Lady, Queen of peace, pray for us.**

## “DO IT ANYWAY”

“The verses below reportedly were written on the wall of *Mother Teresa's* home for children in *Calcutta, India*, and are widely attributed to her.

Some sources say that the words below were written on the wall in *Mother Teresa's* own room. In any case, their association with *Mother Teresa* and the *Missionaries of Charity* has made them popular worldwide, expressing as they do, the spirit in which they lived their lives.

They seem to be based on a composition originally by *Kent Keith*, but much of the second half has been re-written in a more spiritual way. Both versions are shown below.

1. *The version found written on the wall in Mother Teresa's home for children in Calcutta:*

People are often unreasonable, irrational, and self-centered. Forgive them anyway.

If you are kind, people may accuse you of selfish, ulterior motives. Be kind anyway.

If you are successful, you will win some unfaithful friends and some genuine enemies. Succeed anyway.

If you are honest and sincere people may deceive you. Be honest and sincere anyway.

What you spend years creating, others could destroy overnight. Create anyway.

If you find serenity and happiness, some may be jealous. Be happy anyway.

The good you do today, will often be forgotten. Do good anyway.

Give the best you have, and it will never be enough. Give your best anyway.

In the final analysis, it is between you and God. It was never between you and them anyway.

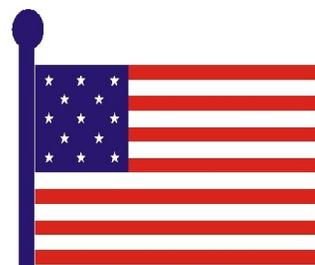

*-this version is credited to Mother Teresa”*

## Where did Labor Day come from?

Labor Day was created as a way to acknowledge and pay tribute to the workforce for all that they have done to make our country prosperous and strong.

The first Labor Day was celebrated in New York City, and other cities followed this example in the following years. It was in 1894 that Congress passed a law making the first Monday of September a legal holiday.

Now that you know... have a great Labor Day!

### Labor Day

The first Labor Day was held in 1882. Its origins stem from the desire of the Central Labor Union to create a holiday for workers. It became a federal holiday in 1894. It was originally intended that the day would be filled with a street parade to allow the public to appreciate the work of the trade and labor organizations. After the parade, a festival was to be held to amuse local workers and their families. In later years, prominent men and women held speeches. This is less common now, but is sometimes seen in election years. One of the reasons for choosing to celebrate this on the first Monday in September was to add a holiday in the long gap between Independence Day and Thanksgiving.

Labor Day is annually held on the first Monday of September. It was originally organized to celebrate various labor associations' strengths of and contributions to the United States economy.

Labor Day is a day of rest or the last chance for many people to go on trips before the summer ends. In some neighborhoods, people organize fireworks displays, barbecues and public arts or sports events. The football season starts on or around Labor Day and many teams play their first game of the year during Labor Day weekend. *Time and date.com*
